

Guided Prayer for Over the Phone

Our heavenly Father, You are our shepherd in this time of great need.
We know that you guide us to peace and safety,
You lead us to green pastures and still waters.
Even though we walk through this frightening and dark valley,
You are with us, guiding us along for Your Glory.

We humbly pray for your continued provision for (Name of Person You're Calling).
Our needs may be great during this period of calamity,
But your refuge and peace are far, far greater than any powers of evil.
We call on your Holy Name to help us in the following ways:
Please send your angels to protect and guard our homes,
Make our dwellings places of peace.
Give us this day our daily bread,
We are grateful to you for the food on our table.
Guard us against all sicknesses which stalk in the darkness,
And grant us spiritual and physical health

Lord, we also pray for specific provisions over...
(As you pray, list any other specific spiritual or physical needs here.)

Open up our hearts to receive your spiritual gifts during this time, Lord.
Show us your compassion and mercy, and display your powers and authority to all nations.
Make us your instruments of peace during this time of strife.
Where there is hatred, help us to love.
Where there is despair, bring us hope.
Where there is doubt, grant us faith.
Where there is sadness, let joy shine out.
Where there is pain or suffering, bless us with healing and forgiveness.

We pray for all of these in the Holy and precious name of Your Son, Jesus Christ.
Amen.
