## TRIBUTE SPECIFICATIONS

Mother's Day – May (*Insert Date Here*)

Father's Day – June (*Insert Date Here*)

"Honor your Father and your Mother, so that you may live long in the land the Lord your God is giving you". Exodus 20:12 (NIV)

A tribute is a written expression of your honor and respect for your parent(s) and a treasured document of love that God can use for great blessing and healing.

### Suggested Specifications for Displayed Tributes

We are confident that writing a tribute to your mother (or father) will be a blessing, not only to the recipient, but to you the giver as well. We also believe that sharing these tributes with your church family will bless everyone, as together we affirm the "Commandment with Promise" from a Good and Loving God! We invite you to share a copy of your tribute with us, as we display them for Mother's Day, and again for Father's Day. The following specifications are offered so we can easily display the tributes, and they can be enjoyed by all.

Please use a minimum 14-point type for readability, but feel free to use any legible font available on your computer.

If you hand-write your Tribute, please ensure that it is legible as well. If you need a typist, please ask! We will provide one free of charge!

The Tribute Team will provide a 15-inch by 20-inch mounting board of Foam Core, to display your Mother's Tribute on Mother's Day and your Father's Tribute on Father's Day. If you wish, you may also personalize your written Tribute with pictures or small lightweight mementos. Please see the *Sample Tributes* for examples.

A stick-on hook will be attached to the back of the foam core on which your Tribute is mounted, for easy hanging on the walls of the display area. In the alternative, we may use painter's masking tape to mount the foam boards directly on the wall. Either way, the mounting will not permanently damage the tribute which will be yours to cherish forever after they are displayed.

You Can Do This!! We promise you it will be either a joy or a healing process, or both.

Information provided on writing your tribute can be found at the Tribute Information table and is provided online at: [www.ccgf.org/Tributes](http://www.ccgf.org/Tributes)

Tribute Coaches: (*List your coaches' names here with their contact information.*)

**Remember, this is THE BEST GIFT YOU CAN EVER GIVE YOUR PARENTS!**
