

Dear Donor,

Thank you for your continued support of Urban Impact Foundation, especially during this season. We are very grateful for the thousands of meals, food items, gift cards, and/or essential items you have donated. As COVID-19 continues to evolve so do the needs of Urban Impact and our students and families we serve. While programming will still not look like our typical programming this summer, Urban Impact desires to support students through summer learning and providing a safe place to learn new skills (i.e. instrumental, acting, baseball, basketball etc.) and hear God's word, whether virtually or in specific small groups, while always following CDC guidelines. We would love to provide all types of learning materials for students to use at home.

Urban Impact will still be delivering daily meals and weekly groceries to students and families during the summer months, but our donation needs have shifted. Below is a list of program needs/supplies for the summer. Would you consider donating some or all items to support our students and Urban Impact's summer programming efforts?

GENERAL
