

giving tree

The "Giving Tree" blesses children in need with a gift this Christmas season. Tags on the tree represent children from our Judea ((Christ Church), our Samaria (Pittsburgh), and to the ends of the earth (Kenya).

Our Judea: Christ Church

We have a few families that need our help providing a gift for their children. The tag lists their age, gender, and interests.

Our Samaria: Pittsburgh

Working with the *Prison Fellowship Angel Tree Program*. We have the opportunity to buy a gift for a child with an incarcerated parent. Additionally, we also have the opportunity to deliver the gifts to the family and connect with them relationally. If you would like to be on a team to help deliver and connect with the families, email Dan Davis at ddavis@ccgf.org.

The Ends of the Earth: Kenya, Africa

All of the children you see on these tags are from the slums of Nairobi, Kenya and are sponsored by *Be Free Revolution*. BFR works in Kenya and Uganda working to relieve hunger, empower men and women, counsel the vulnerable, offer avenues of education through sponsorships, and teach biblical truths and tools for life success. Gifting a Christmas Experience means more than words can explain. They get the rare privilege to choose something from the market for themselves or a loved one. They also receive the gift of family and togetherness shared at the BFR Christmas Feast while hearing the story of our Savior. Each child's story written on the ornaments are testaments that we serve a living God who sees us and answers our prayers. Elohim Chai, Living God and El Roi the God who sees.
