

CARE PACKAGES FOR TROOPS

The second way you can give back this holiday season is through our **Care Packages for Troops**. Our *Serving Our Sentinels* ministry will be sending Christmas care packages to military members serving overseas. If you have a family member or friend in the military and you would like them to receive a package, send their military address to millersoftl@aol.com or call the Miller's at 724-586-5156. Please bring donations to the collection table in the Commons on **Sunday, November 12 & 19**.
